## Presidents Message

Dear Members,  
Octobers meeting was fun! We had so many people who wanted to participate in our fiber challenge that we ran out of fiber. If you missed our last meeting, we are spinning llama and a Yak/merino blend for this years challenge. You can make any finished product with the fiber and have it ready to show us at May's meeting. Remember that yarn is a finished item! If you still would like to participate, we have ordered more fiber and will have more available at our next meeting. Come play along! Remember to bring your \$5.00 to cover fiber costs.

Christmas is quick approaching and I am thinking about what i might give to friends, family and neighbors. Novembers meeting will be about this very thing. Hopefully we will all leave that night with

good ideas. Please plan to attend and also share if you have ideas.

It is time for another field trip! We have arranged for Rebecca to stay later at work and meet us in Ogden at the Needlepoint Joint on December 5th. This is a Friday and what would be better than a fun shopping trip with the ladies from the Guild. We will meet at the Murray central front-runner station that evening to catch the 5:08pm or the 5:38 pm trains to Ogden. We can then talk and socialize on the train as we travel. The roundtrip costs 12.20. We then can walk just a couple blocks down Wall Avenue to the Needlepoint Joint for shopping and fun. They will stay open until about 8pm.(or later if needed). We can then either go out for dessert or drinks before taking Front-

runner home at 9:07pm or 10:37 pm. Please save the date to join us  
Looking forward to fun!  
Cheryl Stratton

## Vice Presidents Message

VICE PRESIDENTS MESSAGE  
GOES HERE

Dear members,

If any of you would like to share with the woolpack at our November meeting, here is your chance! Our meeting this month will be about making quick and fast, cute Christmas gifts. They can be knitted, crocheted, or felted. Anything you can do with yarn or roving, which we all probably have plenty of these things! If you would like to

present an idea at our meeting, please send me your name so I can put you on the list of presenters that night. I would love to have lots of participation cause the more ideas, the better! Help me to make this night a learning experience for us all!

Thanks, Cheryl Stratton

Scots on the Rocks. We missed you.
