Presidents Message

Dear fellow spinners,

What fun we had at our workshops with Lonna Alexander Steele. I learned some awesome new things and enjoyed the friendship of each of you. May is coming soon though and your challenge fiber is due! If you haven't spun your challenge fiber yet, please join us on April 15th for our guild

meeting. We are going to have a "Sit and Spin" at thimbles and threads. Bring your wheel, fiber and of course yourself and come prepared to have fun with us that night spinning and chatting.

Spincereely,

Cheryl Stratton,
president

Vice Presidents Message

Our guild has recently purchased a used "Majacraft Suzie". We plan to have this wheel cleaned up and ready for the guild as soon as possible. We would like to have this wheel available at guild meetings for new spinners to try as well as have it available for guild members to rent.

I've made plans to attend Snake River Fiber Festival on May 15th, 16th & 17th. I have signed up for a few classes. I've also heard a lot of our guild members talking about going, so there is lots of opportunity for car pools!

It was also such an honor for me to host our workshop last month. I really appreciate all of you who came and made it such a fun event. I did have a clipboard left at my house, so

let me know if you are missing one. We've had some great suggestions about how we could make future workshops even better, if you also have some great ideas please let me know!

Our guild has grown! To help everyone get to know each other it has been suggested that we make nametags and keep them for meetings and events. If you have thoughts or ideas about this please let us know.

Big hugs to you all,

Jenny
